Analyst, Listings & Regulation - Canadian Securities Exchange (CNSX Markets Inc.)

The Canadian Securities Exchange is a rapidly growing exchange invested in working with entrepreneurs, innovators, and disruptors to access public capital markets in Canada. The Exchange's efficient operating model, advanced technology and competitive fee structure help its listed issuers of all sectors and sizes minimize their cost of capital and enhance global liquidity.

Our client-centric approach and corresponding products and services ensure businesses have the support they need to confidently realize their vision.

The CSE offers global investors access to an innovative collection of growing and mature companies.

This is an existing vacant position.

We're looking for an Analyst, Listings & Regulation to join the team.

This role may be suitable for candidates with experience in public company environments, corporate secretarial functions, legal or accountant roles, or broadly in mining and technology.

Reporting to the Manager, Listed Company Compliance in Toronto or Vancouver, the Analyst, Listings & Regulation is responsible for monitoring and reviewing listed company disclosures ensuring consistency with Exchange regulations.

The job title for this position will be documented internally/externally as Analyst, Listed Company Compliance.

Key Accountabilities:

- Assist with reviewing and analyzing disclosure by companies for compliance with reporting and continued listing requirements. This will include review of news releases, financial disclosure, Exchange filings and other continuous disclosure filings and issuer websites, with a principle focus on event-based filings for:
 - Acquisitions
 - Promotional campaigns
- Summarize pertinent findings for internal and listed company use
- Make recommendations for additional conditions or requirements as the circumstances require
- Develop/recommend procedural or policy changes
- Support Listing Administrator in reviews of and responses to investor complaints through analysis of news, trading data and other relevant information

- Contribute to ongoing development of procedures for recording complaints, cases, and responses
- Prepare formal requests and memos, where necessary, to issuers or regulatory bodies
- Assist with preparing departmental activity reports
- Foster strong relationships with enforcement and corporate finance branches of securities commissions
- Liaise with regulatory and industry contacts
- Other responsibilities as assigned.

Qualifications & Experience:

- Completion of the Canadian Securities Course and relevant application of the principles
- Demonstrated experience in the preparation or review of reporting issuer disclosure and related securities law and exchange requirements.
- Corporate finance experience is a must
- Practical experience with corporate finance activities in a public markets context, including financings, mergers and acquisitions, and related disclosure, with an understanding of how these transactions are structured, reported, and assessed for regulatory compliance.
- Strong understanding of policy intent and the ability to interpret and apply policy requirements in practice.
- excellent analytical and communication skills
- ability to plan and organize work priorities
- must be able to work independently with minimal supervision

As a part of our team, you will receive:

- Competitive compensation
- Opportunities for advancement
- Comprehensive benefits package (health, life insurance, dental, disability, vision care)
- Employee Assistance Program
- Group Retirement Savings Plan
- Financial support for fitness programs and job-related education
- Vacation and leaves (e.g. personal days, sick leave)

The employee spends extended periods sitting, typing, and/or looking at a computer screen.

The physical demands described herein are representative of those necessary to successfully perform this job. Reasonable accommodations may be made upon request.

Interested applicants are invited to submit a resume and cover letter by June 26, 2026 to careers@thecse.com or directly through the job platform in which this posting is advertised. Please ensure all application materials are submitted in accordance with the instructions provided in this posting and any application refers to the position and posting number. The salary range for this position is \$60,000.00 to \$100,000.00 and is provided for guidance

purposes only. Compensation may vary and will be determined based on factors such as the selected candidate's knowledge, skills, and experience.

As part of our recruitment and hiring processes, we may use artificial intelligence (AI) tools to support decision-making and enhance efficiency. All AI-assisted activities are conducted in accordance with applicable privacy and employment legislation.

Please note all offers of employment at the Canadian Securities Exchange are conditional upon the successful completion of a pre-hire background check. This may involve anything up to and including a criminal history check, reference checks and/or credit check.

The Canadian Securities Exchange is dedicated to having a workforce with diversity of thought, ideas, experience and perspectives. These factors are essential to building and maintaining a culture of innovation and collaboration. In order meet this commitment the CSE considers diversity, equity, and inclusiveness criteria in its talent management process.

The CSE is committed to fair and accessible employment practices and to providing accommodation for persons with disabilities. If you require accommodations to apply for this opportunity, require this posting in an additional format, or if contacted for an interview and require accommodation during any stage of the recruitment process, please contact us at careers@thecse.com. We will work with all applicants to determine appropriate accommodation for individual accessibility needs.

The CSE thanks all applicants for their interest in this opportunity, however; only those under consideration will be contacted.
